

STORM

HELMET

Ref. 2457

TEAM RESCUE, ROPE ACCESS

The Storm is an EN mountaineering certified helmet for technical rescue and rope access professionals looking for maximum lightweight without sacrificing comfort and safety.

Full strength chin strap is suitable for use where the worker is exposed to the risk of losing the helmet during a fall.

The internal EPS structure with external in-molded polycarbonate cover offers full protection to the whole head and exceptional ventilation with 22 openings.

The comfortable and removable internal padding and the rear wheel adjustment system make the helmet very stable on the head.

Equipped with color differentiated headlamp holder clips.

Available in 6 colors and 2 sizes.

6 Grey

7 White

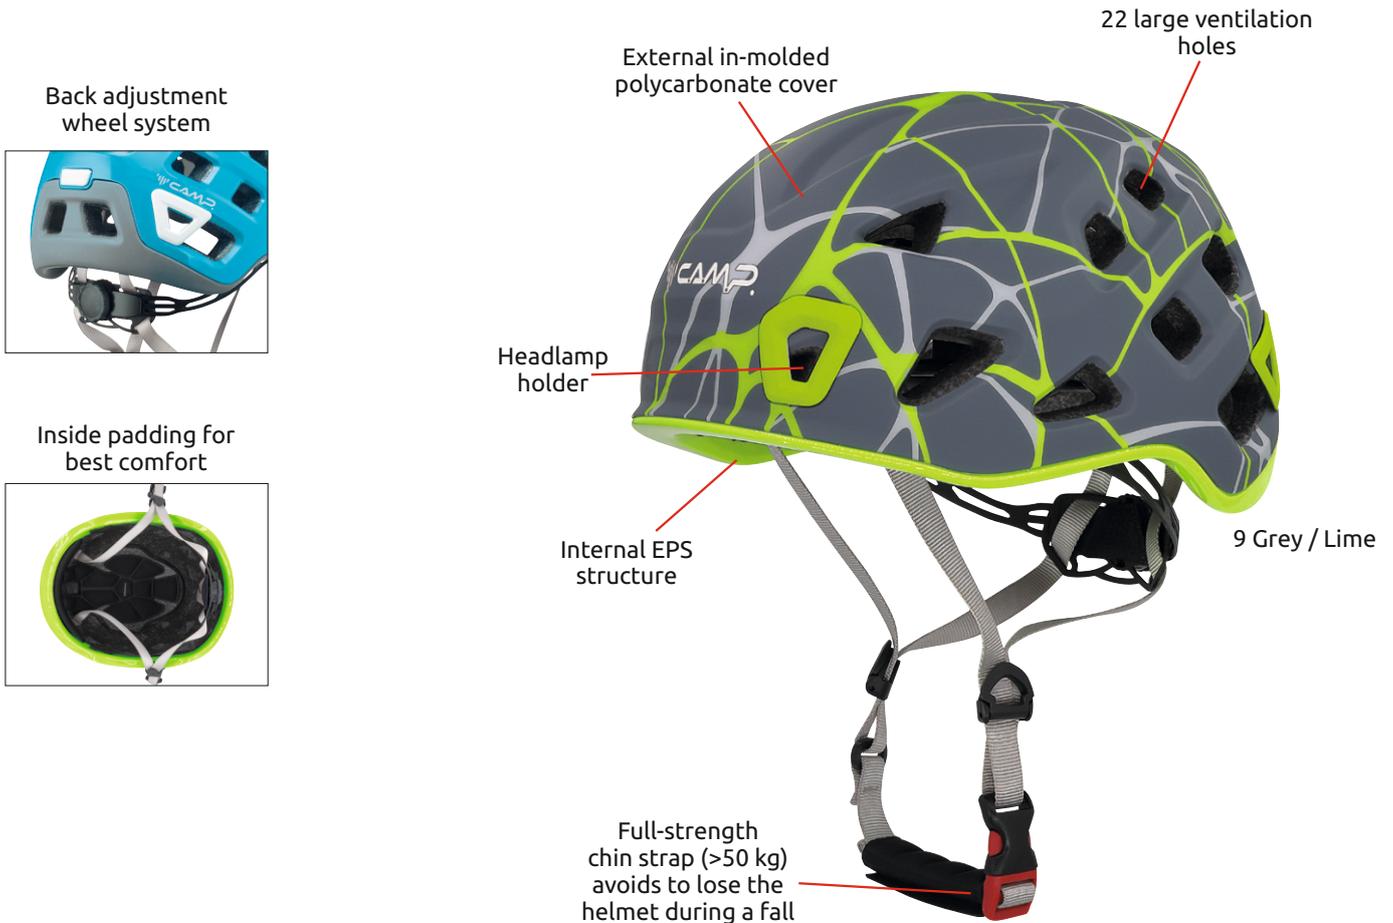

8 Red

5 Light blue

10 Light Blue/Fuchsia
